- Make a consultation appointment with a participating physician, who will determine a treatment schedule
- A personalized online account will be activated after initial in-office Clear + Brilliant treatment
- Registration will be complete through email confirmation

How Clear + Brilliant treatments work

Clear + Brilliant and Clear + Brilliant Perméa treatments have been shown to help improve skin tone, texture and other subtle signs of aging. The precise laser energy has allowed most consumers to experience immediate and progressive results that last for months, but vary by age, skin condition and how they protect their skin. The treatment takes about 20 minutes, is safe for all skin types and is suitable for men and women.
