

## ZYRTEC® The #1 Allergist Recommended Brand\*

The makers of ZYRTEC® (cetirizine HCl), the number one allergist recommended brand, offer a range of over-the-counter adult products that help relieve the *worst* allergy symptoms due to hay fever or other upper respiratory allergies. ZYRTEC® helps to relieve the symptoms of sneezing, runny nose, and itchy-watery eyes and itchy nose or throat. These symptoms are often caused by indoor and outdoor allergy triggers such as dust, mold and pet dander, tree pollen, weeds and grasses.

No matter what the allergy symptom is ZYRTEC® has a product to provide allergy sufferers the relief they need so they get back to the things they love - and love the air.

### ZYRTEC® Tablets

**Overview:** Get fast\*\* 24-hour allergy relief with ZYRTEC® Tablets. Available in the allergy aisle without a prescription, this antihistamine provides 24-hour relief from the worst allergy symptoms of sneezing, runny nose, itchy, watery eyes and itching of the nose and throat.

**Active Ingredient:** Cetirizine HCl 10 mg (in each tablet)

**Use:** Adults and children six years and older take one 10mg tablet once daily.\*\*\* A 5 mg product may be appropriate for less severe symptoms.
