

"The Rewrite Your Day campaign is important because it focuses on educating people about Chronic Migraine, helping them recognize the signs and symptoms and encouraging them to seek care from a qualified headache specialist who can diagnose, manage and treat their condition."

– Peter McAllister, M.D.

Peter J. McAllister, M.D.
Clinical Assistant Professor of Neurology
Yale University School of Medicine, New Haven, Connecticut

Dr. McAllister is a board-certified neurologist and clinical assistant professor of neurology at Yale University School of Medicine in New Haven, Connecticut.
