Sky COMBAT ACE

AIRCRAFT

Extra 330LC (unlimited aerobatics)

Extra 330LC Specifications--2 Seats

Length:	22.1 ft (6.72 m)	Maximum speed:	253 mph (408 km/h)
Wingspan:	26.0 ft (8.0 m)	Cruise speed:	196 mph (317 km/h)
Height:	8.7 ft (2.63 m)	Range:	560 miles (944 km)
Empty Weight:	1,455 lbs (660 kg)	Service Ceiling:	16,000 ft (4875 m)
Loaded Weight:	1,918 lbs (870 kg)	Rate of climb:	3200 ft/min (16 meters/s)
Powerplant: Lycoming AEIO-580-L1B5, 330 hp (243 kW)			
Load factor +/- 10 G's			

[Extra 330LC](#) Aircraft is the world's top aerobatic airplane; it is the star of SCA's fleet and the choice of aviators all over the world. The Extra 330 is built of carbon fiber construction, which is nine times stronger than steel. It has zero prohibited maneuvers, which is a testament to its strength and engineering.

T6 Texan* (warbird)

T6 Texan Specifications

Length:	29 ft (8.84 m)	Maximum speed:	240 mph (335 km/h)
Wingspan:	42 ft (12.81 m)	Cruise speed:	145 mph (233 km/h)
Height:	11 ft 8 in (3.57 m)	Range:	730 miles (1,175 km)
Empty Weight:	4,158 lb (1,886 kg)	Service Ceiling:	24,200 ft (7,400 m)
Loaded Weight:	5,617 lb (2,548 kg)	Rate of climb:	3200 ft/min (16 meters/s)
Powerplant: 1 × Pratt & Whitney R-1340-AN-1 Wasp radial engine, 600 hp (450 kW)			
Load factor + 5.5 / - 2 G's			

This authentic [Warbird](#) allows you to take a step back in time and experience the thrills of being a WWII airman. The T-6 was used by training pilots in WWII before stepping up to fighter aircraft like the P-51 Mustang. The Texan is sleek, quick and highly maneuverable. The T-6 Texan was completely rebuilt in 2007 and retrofitted with the latest technological innovations to bring it up to modern-day standards. Upgrade your [Top Gun](#) or [Afterburner](#) package to fly a T-6 Texan for an additional \$99.00.

Waco YMF-5C* (open cockpit biplane)

Waco YMF-5C Specifications--3 Seats			
Length:	23.3 ft (7.11 m)	Maximum speed:	214 mph (344 km/h)
Wingspan:	30.0 ft (9.14 m)	Cruise speed:	105 mph (169 km/h)
Height:	8.5 ft (2.59 m)	Range:	497 miles (800 km)
Empty Weight:	1,985 lbs (900 kg)	Service Ceiling:	13,800 ft (4,206 m)
Loaded Weight:	2,770 lbs (1,256 kg)	Rate of climb:	3200 ft/min (16 meters/s)
Powerplant: Jacobs R-755B2M, 275 hp (205 kW)			
Load factor +5.2/-2.1 G's			

We all grew up hearing stories of famous fighter pilot aces, such as Manfred von Richthofen, better known as the Red Baron. The era of the open cockpit biplane endured through WWI and the [Waco](#) takes you back to the days of the Barnstormers in a modern day version of this timeless classic. Able to accommodate two passengers in the front seat, the Waco is the perfect romantic date or can provide a rush of adrenaline as you loop and roll above the skies of Las Vegas. The Waco YMF-5C is built from the original 1930s blueprints, but certified in 2001 as a new aircraft.

* Due to operational limitations of the aircraft, some maneuvers are prohibited, such as spins, snap rolls, tail slides and tumbling.

All packages include photos before take-off and video captured by one of four airplane-mounted cameras. To make a reservation, visit www.skycombatace.com, call 1-888-494-5850 or email reservations@skycombatace.com. Keep up with SCA on [Twitter](#) or [Facebook](#).

ABOUT SKY COMBAT ACE:

Sky Combat Ace offers Nevada's only true aerial dogfighting experience. Sky Combat Ace pairs you up with actual fighter pilots to learn the art of basic fighter maneuvering. You can fly with just the fighter pilot or take on one of your friends and test your skills against an equally matched adversary. Under the supervision of SCA's highly trained fighter pilot instructors, you are the one at the controls, you are the one squeezing the trigger and you get the satisfaction of scoring a hit on your opponent. Safety is the top priority at Sky Combat Ace. SCA pilots have amassed a perfect safety record with zero accidents or incidents. All of the pilots are chosen for their experience and unique qualifications that make them the best in the business. Sky Combat Ace flies seven days a week, 365 days a year.
