With the help of everyday citizen volunteers, skilled trades people, the support of local business and major corporate partners, Rebuilding Together affiliates in America's largest cities and smallest towns make life considerably better for thousands of low-income homeowners and the communities in which they live by completing 10,000 projects per year.

Heroes At Home

The Sears Heroes at Home program via Rebuilding Together rebuilt more than 1,200 homes for deserving military families by raising more than \$16.8 million. Heroes at Home addresses a critical need for an alarming number of veterans who are struggling to make ends meet and who live in substandard housing. Sears recently completed its spring renovation campaign through its Heroes at Home initiative via nonprofit Rebuilding Together where 150 restoration projects happened across the country.
