

ACTS DESCRIPTIONS

DreamCast Entertainment and Misha Matorin present a new and exciting show *FATA MORAGANA* featuring renowned artist and comedic daredevil Bello Nock.

In *FATA MORAGANA*, DreamCast celebrates an international ensemble of amazing talent from around the globe including beautiful dancers and Acrobats from Russia , aerialists from Canada and Ukraine motorcycle riders performing daring stunts. Once again combining their talents and imagination to present a show audiences will marvel at as performers travel through the air, push the limits with incredible acrobatic tricks and ascend their art to unparalleled heights.

Opening

Bello Nock and Moscow Circus Dancers

Bello Nock is an international circus star, an amazing comedian and the world's only true comedic daredevil. He is equally accomplished at generating breathtaking thrills and laughter.

The Bolshoi Moscow Circus Dancers combine youth, talent, and creativity with modern presentation dance movements. Led by choreographer Olga Poltorak,, she and fellow ballet dancers Veronika Zakharova. Anna Zgurovskaya and Anastasiya Bilaikevich produce new and original dance numbers for *FATA MORAGANA* that create a stunning spectacular in its beauty and scale of the professionalism and talent.

Hand Balancing

Male duo of amazing physique, perform an act with astonishing power demonstrating incredibly strong physical maneuvers, which are executed with effortless grace, balance and agility. These two muscle men will enthrall audiences with their unparalleled use of strength and discipline. This human statue act is a crowd favorite.

Cyr Wheel

This act just recently got recognition in the several international circus festivals. The original concept of stunning yet graceful tricks is a recognized signature of this multitalented artist.

Bungee

Only Bello can make falling from the top of a theatre funny. Surprises will abound as Bello bounces from the rafters of Beau Rivage's beautiful 1,550-seat theatre.

Juggler

Juggler Vladik is a second generation show business performer a comes direct from the Cirque Style production "Dralion." Vladik's very upbeat juggling act is performed by using Russian style juggling balls and clubs while dancing, tumbling, performing gymnastics and contorting his body in a very beautiful and graceful manner.

Audience Participation Comedy

Bello's William Tell routine is a beautiful partnership between himself and an audience member as they create a hysterical archery act with nothing but balloons and imagination. By the end of the act, audiences totally suspend disbelief and experience the release of unconstrained laughter.

Hula Hoops

An amazing thing happens when our energetic artist takes the stage. She displays a talent that no other person can match. Her instrument of expression is a hula hoop and she has taken it light years from its humble beginnings into the world of performance art. Combining elements of dance, contortion and technical skill, she has created a theatrical showcase that's won worldwide attention and acclaim.

Unsupported Ladder Balancing

Aleksandr Rebkovets performs a very unusual and unique circus act known as "Unsupported Ladder Balancing." The name speaks for itself as he balances on a ladder without any support while combining different skills and tricks including juggling, acrobatics and double balancing. Rebkovets is also known and respected for being one of the fastest artists on the ladder.

Motorcycle globe

Motorcycle madness is the order of the day as three stunt riders actually ride their machines upside-down in the Sphere of Fear, reaching speeds of 55 MPH. Only centrifugal force and skill stand between them and disaster as they criss cross the globe together at breakneck speeds.

Poll Act

FATA MORAGNA's acrobatic pole dancer is not only your ordinary pole dancer! Sexy and athletic, this beautiful girl will perform on the pole with amazing tricks never seen before in theatre.

Extreme Yoga

This unusual act presents variety of original displays of incredible endurance and potentials of the human body.

Cloud Swing

Anastasiya Makeeva is a winner of the numerous international circus awards. Her "Aerial Tango" is the incredible display of the grace, athleticism and courage. She is performing her tricks and stunts high in the air without any safety.

Wheel Of Wonder

Award-winning David Martins is a daredevil acrobat from Brazil who will perform aerial thrills in the giant whirling wheel of wonder. He'll flip, flop and fly through the air in this 40-ft high rotating "treadmill for adventures".
