Craftsman® Bolt-On™ Modular Power Tool System

PRODUCT FACTS

Overview

- This innovative portable power tool system from Craftsman features nine interchangeable attachments that all connect to one powerful tool base, transforming it to take on different projects – saving time, money and space.

- As America’s largest modular power tool attachment system, it eliminates the need to purchase a whole new tool system each time a job requires new equipment.

- The Bolt-On tool base comes standard with a Drill/Driver attachment, a 20-volt Max lithium-ion battery, giving the tool enough power to tackle light to heavy do-it-yourself projects, and an exclusive Craftsman QuickBoost® charger.

- With the push of a button, the Craftsman QuickBoost charger boosts power from 0 to 30 percent in 10 minutes, or recharges the battery in 30 minutes.

Attachments

- Bolt-On Drill/Driver*: features two speeds and an all-metal two-sleeve chuck for increased durability.
  - RPM (rotations per minute): 0-800
  - Clutch Settings: 11
  - Chuck (in): 3/8
  - Weight (lbs.): 1.10
  - Weight with battery (lbs.): 3.31
  - Dimensions (in.): 8.86 L x 3.07 W x 9.17 H
  - Model: 16496

  *Comes with: tool base, attachment, 20-volt Max battery, QuickBoost charger and (1) double-ended bit

- Bolt-On Detail Sander: has a compact design to maximize user control for access in tight spaces. The sander can be used for finishing, rust removal, dry scrubbing, polish and detailing.
  - OPM (oscillations per minute): 0-9,000
  - Weight (lbs.): .73
  - Weight with battery (lbs.): 2.87
  - Dimensions (in.): 7.08 L x 3.66 W x 10.82 H
  - Model: 34978

  *Comes with: attachment, (2) 60-grit sanding sheets, (2) 120-grit sanding sheets, (2) 240-grit sanding sheets
- **Bolt-On Jig Saw**: compact in size and can be used in tight work areas. It also features a tool-free blade change for fast and efficient operation.
  - SPM (strokes per minute): 0-2,800
  - Stroke length (in.): 0.5
  - Weight (lbs.): 1.168
  - Weight with battery (lbs.): 3.26
  - Dimensions (in.): 9.52 L X 2.99 W X10 H
  - Model: 34974
  *Comes with*: attachment, (1) T-shank wood jigsaw blade

- **Bolt-On Impact Driver**: drives screws and other large fasteners with ease with up to two times the max torque than a regular drill. The impact mechanism delivers high performance output without kick back.
  - RPM (rotations per minute): 0-3,100
  - BPM (blows per minute): 0-3,500
  - Torque (in./lbs.): 1,300
  - Weight (lbs.): 1.19
  - Weight with battery (lbs.): 3.285
  - Dimensions (in.): 7.91 L X 2.99 W X9.37 H
  - Model: 34973
  *Comes with*: attachment, (1) ph #2 bit

- **Bolt-On Oscillating Multi-Tool**: can cut drywall, metal, wood, plastic composite and many other materials. The tool-free blade change makes the accessory changes quick and easy, eliminating the need for a hex key.
  - OPM (oscillations per minute): 0-18,500
  - Oscillating: 2.8 degrees
  - Weight (lbs.): 0.9038
  - Weight with battery (lbs.): 3.285
  - Dimensions (without battery): 4.33 L x 2.165 W x 4.53 H
  - Model: 34980
  *Comes with*: attachment, (1) plunge cutting blade, (1) sanding base, (1) 60 grit sanding sheet, (1) 240 grit sanding sheet

- **Bolt-On Two-Speed Hammer Drill**: includes a hammer and drill/drive mode, making it ideal for masonry, wood or steel drilling. A Craftsman exclusive.
  - RPM (rotations per minute): 0-500/0-1,600
  - BPM (blows per minute): 0-24,000
  - Torque (in./lbs.): 300
  - Clutch Settings: 11
  - Weight (lbs.): 1.52
  - Weight with battery (lbs.): 3.615
  - Dimensions (in.): 10.708 L x 2.99 W x 9.41 H
  - Model: 34975
  *Comes with*: attachment
■ Bolt-On Router: perfect for most trimming, small edging, decorative woodworking and hinge routing applications. It includes a quick adjust button, allowing for a plunge depth of up to one inch.
  ○ RPM (rotations per minute): 0-9,000
  ○ Depth adjustment (in.): 5/8
  ○ Weight (lbs.): .992
  ○ Weight with battery (lbs.): 3.08
  ○ Dimensions (in.)**: 8.26 L x 3.26 W x 9.72 H
  ○ Model: 34977

Comes with: attachment

■ Bolt-On High Pressure Inflator: can inflate items up to 120 pounds per square inch (PSI) and comes with a 14-inch hose. The inflator can be used to inflate sports balls, bike tires, pool toys and more. A Craftsman exclusive.
  ○ Max PSI: 80 (continuous), 120 (peak)
  ○ Cord length (in.): 14
  ○ Weight (lbs.): 1.06
  ○ Weight with battery: 3.15 lbs.
  ○ Dimensions (in.)**: 2.56 L x 3.86 W x 9.92 H
  ○ Model: 3497

Comes with: attachment, (1) needle nozzle, (1) beach ball nozzle

■ Bolt-On Trim Saw: has a powerful performance and can be used on plywood, paneling and fence boards. It has a lightweight and compact design, making it easy to tackle projects in and around the home.
  ○ RPM (rotations per minute): 0-3,400
  ○ Depth of cut (in.): .8267
  ○ Amp: 4
  ○ Weight (lbs.): 1.62
  ○ Weight with battery (lbs.): 3.71
  ○ Dimensions (in.)**: 11.89 L x 4.02 W x 8.78 H
  ○ Model: 34979

Comes with: attachment, (1) 3-3/8” 24T carbide blade

**Dimensions include the attachment, base and battery.

MSRP
■ Craftsman Bolt-On with Drill/Driver, QuickBoost charger and 20-volt Max lithium-ion battery: $119.99

Availability: Late October 2012 at Craftsman.com and Sears stores nationwide

*Only attachment sold with the Bolt-On base. Not available as add-on attachment.
