

maria's fabulous finds

Between red carpet interviews, hosting "Extra" and getting together with family and friends, "me time" is pretty hard to find. That's why I'm always looking for ways to make every day fabulous. Marshalls has always been my go-to store for those amazing details that help me make ordinary extraordinary. Whether it's a vibrant designer handbag that makes date night even more special or a bold top that helps me stand out on-set, Marshalls has spring's must-have trends from the designers I love. So even though every day is a little crazy, I find a way to make it a little more fabulous, too.

Here are a few of my favorite finds for spring.

Enjoy!

-Maria
