

# United p.s.<sup>®</sup>

The coast-to-coast domestic premium service with international amenities

180-degree flat-bed seats. Personal on-demand entertainment. United p.s. is improving. Here's a glimpse of the premium services you can look forward to.

## 180 Degrees — Flat —

Flat-bed seats with a full 180-degree recline and up to 6'4 inches of sleeping space in United BusinessFirst<sup>®</sup>.

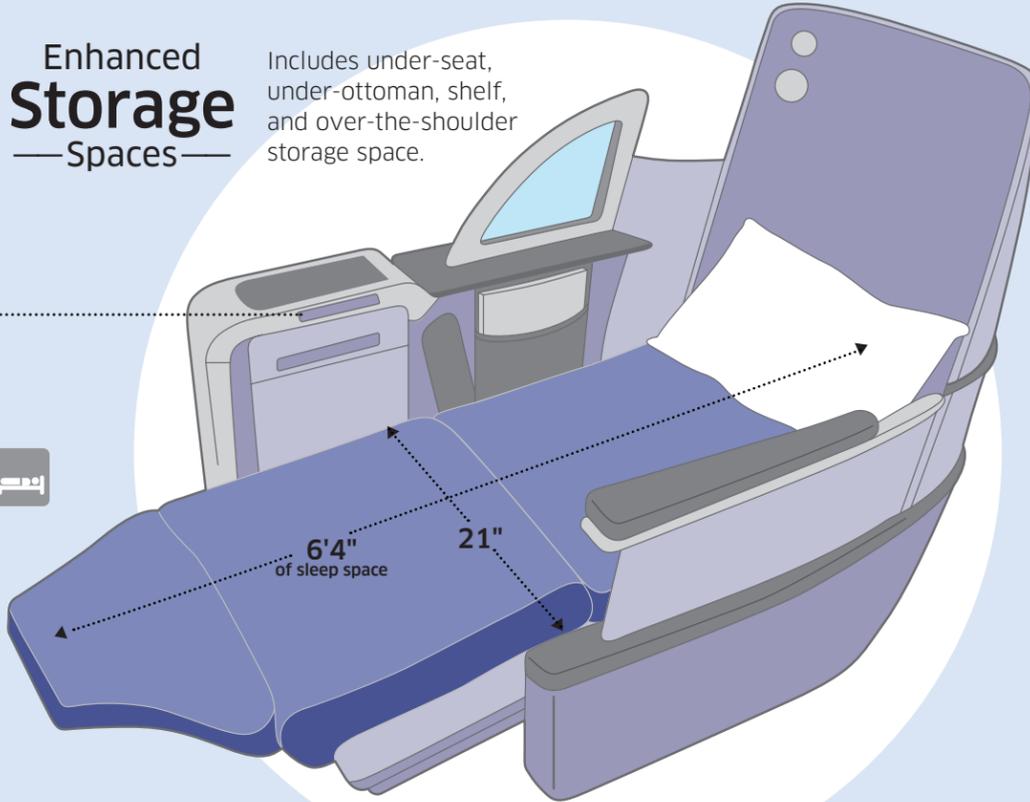

### Comfort at the touch of a button.

Find the seat setting that fits you. Complimentary eyeshades and earplugs are also available to help make your flight more comfortable.

### Enhanced Storage Spaces

Includes under-seat, under-ottoman, shelf, and over-the-shoulder storage space.

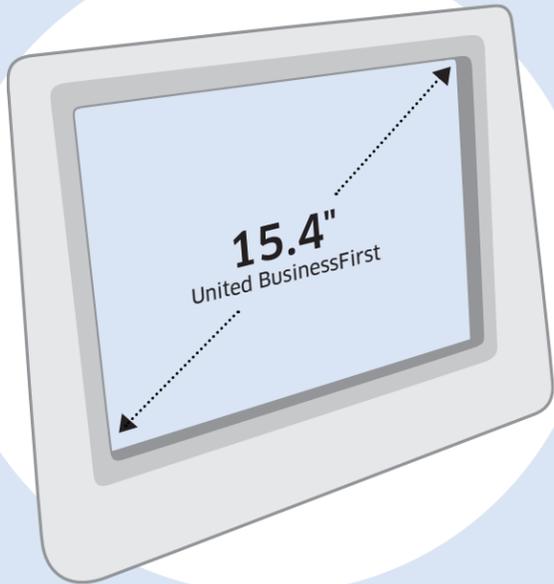

## The Finest Food & Wine

In United BusinessFirst, enjoy four-course dining featuring a variety of entrée options, all-natural scones and cookies made from scratch, and a wine selection chosen by our Master Sommelier and Master of Wine.

### — Big Screen — Entertainment at Every Seat

Personal on-demand entertainment offering hundreds of movies, television shows, music, podcasts and games (not to mention Channel 9). Also, Apple ports (iPod<sup>®</sup>, iPhone<sup>®</sup>, iPad<sup>®</sup>) in United BusinessFirst allow you to connect your devices and watch your own movies on our seat-back monitors (export cable required).

### Better Productivity

Standard 110-volt power outlets and USB outlets available at every seat. Gogo<sup>®</sup> Internet service throughout the aircraft will be upgraded to the next generation in 2013 for improved speed performance.

### — Perks — On the Ground

United BusinessFirst and United MileagePlus<sup>®</sup> Premier<sup>®</sup> members enjoy United Premier Access<sup>SM</sup> check-in, exclusive security lanes, priority boarding and priority baggage handling.

United BusinessFirst passengers can also enjoy special access to the United Club<sup>SM</sup>, offering complimentary bar service, light snacks, free Wi-Fi, conference rooms and more.

### — Stretch Out in — United Economy Plus<sup>®</sup>

The new p.s. Economy configuration features a United Economy Plus section with 36 inches of legroom. That's two more inches than United Economy Plus in the previous configuration.
