RELAXING RITUALS™
YANKEE CANDLE®

Start every day refreshed.
End every day calm.

Calm

Almost any time of the day, from the mad rush of getting the kids off to school to dealing with the challenges of the day, merits a time to unwind and feel relaxed. Vanilla, lavender and sandalwood are combined to soothe your mind and your soul.

Tranquil

Taking the time to create a peaceful moment or two in your day, will do wonders for you and those around you. The peaceful properties found in the essential oils of water lily, spearmint and sea salt will create an oasis of tranquility.

Really... it's all about you.

Really... it's all about you.

The therapeutic power of carefully selected fragrances and the simple daily routine of preparing the fragrance blend that suits you best will help turn down the noise of your life and allow you to unwind. Simply choose the mood state you desire, then the form—from warmer oils to tumbler candles—to make the ritual uniquely yours. All mood states are available in each of the forms.

Comfort

The most natural of all desires is to retreat to the cozy comfort and well being of a familiar and welcoming place. No combination of fragrances relieves the tensions of the day better than cardamom, rose and cedarwood.

Refresh

Start the day refreshed, ready to take on whatever challenges lie ahead. The refreshing properties found in the essential oils of mandarin, eucalyptus and sage will lighten your spirit and awaken your senses.
