DESIGNS

One to six bedroom floor plans

723 to 2,550 square feet

Designed by Las Vegas-based design studio TANDEM.

Each suite presents elements of vintage Parisian flare intertwined with modern decor to reveal designs both tailored and refined. Clean lines meet rich hardwood parquet flooring throughout the space with marble tile complements. Custom lighting and fixtures illuminate recessed ceilings, and light, airy tones are incorporated into upholstered wall panels, trimmed with exquisite wood millwork panels and finished with exposed nail heads. The comfortable yet stylish oversized sofa and lounge chairs offer a loft-like appeal meant to evoke a welcoming and social atmosphere. Additional components include a full-height refrigerator, custom curated mini bar and fun gaming table elements that may include a pool table or pin ball machine, depending on the suite type.
