## **Your Health Has Met Its App<sup>SM</sup>. Cigna Launches Health Plan App for Apple and Android Devices**

BLOOMFIELD, Conn. – February 12, 2013 – Starting today, your smart phone can make you smarter about your health. Cigna is launching a new mobile app to help customers take better control of their health and health spending.

The myCigna Mobile App allows Cigna health plan customers instant access to their personalized health care information to:

- find a doctor using Cigna's [award-winning](#) physician directory,
- access ID cards in one convenient location,
- view and manage account balances and deductibles,
- look up medical, dental and pharmacy claims,
- research and compare drug prices at 60,000 pharmacies.

The new, free myCigna Mobile App is available to customers with Android and iOS (Apple) mobile devices for download from [the App Store<sup>SM</sup>](#) or [Google Play](#).

“With the new Cigna Mobile App we are literally putting the power in the hands of our customers to improve their health, manage their costs, and get the most from their health plan benefits,” said Tom Richards, Cigna president for individual and family plans and online experience. “Now Cigna customers can put their smart phone or tablet to work helping them better manage their health care and save money on their medical costs for a happier and healthier new year.”

Throughout 2013 Cigna will release upgraded app capabilities, including accurate pricing and quality information on doctors and hospitals for more than 200 medical procedures according to the real-time status of the customer's health plan and available health account funds.

### **Just for Fun GO YOU App**

As a global health service company, Cigna is committed to helping customers improve their health, well-being and sense of security by supporting each individual with guidance, tools and information designed to make health a fun and interesting part of everyday life.

While the myCigna Mobile App is personalized exclusively for each Cigna customer to manage their health care benefits, Cigna also offers a just-for-fun GO YOU app for creating and sending personalized, encouraging video messages to friends and family. Anyone with an iPhone or Android smart phone or tablet can send a message through e-mail by downloading the GO YOU mobile app at the [App Store](#) or [Google Play](#). (Facebook users can send similar messages to Friends using the Facebook version of the app through [apps.facebook.com/GOYOUapp/](https://apps.facebook.com/GOYOUapp/).)

###

### **About Cigna**

Cigna Corporation (NYSE: CI) is a global health service company dedicated to helping people improve their health, well-being and sense of security. customer relationships throughout the world. To learn more about Cigna®, including links to follow us on Facebook or Twitter, visit [www.cigna.com](http://www.cigna.com).

**About Apps**

Apple is a trademark of Apple Inc., registered in the U.S. and other countries. App Store is a service mark of Apple Inc. Google Play is a trademark of Google Inc.

The downloading and use of these Apps is subject to the terms and conditions of the Apps and the online stores from which they are downloaded. Standard mobile phone carrier and data usage charges apply.

Actual myCigna mobile app features available may vary depending on your plan. The listing of a health care professional or facility in the mobile directories available through the myCigna mobile app does not guarantee that the services rendered by that professional or facility are covered under your specific medical plan. Check your official plan documents, or call the number listed on your ID card, for information about the services covered under your plan benefits.
