

FOR IMMEDIATE RELEASE – FEBRUARY 1, 2013

Just in time for the biggest football weekend of the year, Cox Communications customers announces additional second screen access for NFL Network

Cox Advanced TV customers Can Catch 2nd Screen NFL Action on the most popular second screen devices in the market

ATLANTA –Cox Communications customers who are avid football fans following all of the action leading up to Sunday's big game now have more options to access the NFL Network. Cox Communications announced today that Cox NFL Network is now available on TV, On DEMAND, and on the "second screen" on the Web, on the iPad and as of today, on Android tablets. Earlier this month, Cox added a new option to access live streaming content from NFL Network with the new "Watch NFL Network" app available for the iPad and Android tablet devices. This week, NFL Network will broadcast more than 140 hours of coverage from New Orleans leading up to the big game on Sunday, February 3, 2013.

During the regular season, NFL Network is the home of Thursday Night Football from September through December as well as the popular NFL RedZone. NFL Network provides viewers with more than 2,500 hours of original programming including NFL Total Access, NFL GameDay and NFL AM.

To access "Watch NFL Network" online, Cox customers with NFL Network and/or NFL RedZone can go to <http://nfl.com/watchnflnetwork>. Tablet users can download the "Watch NFL Network" app for free at the Apple iTunes App store <https://itunes.apple.com/us/app/watch-nfl-network/id568543007?mt=8> or at the Google Play store <https://play.google.com/store/apps/details?id=com.neulion.android.tablet.nfl.wnfln&hl=en>.
