

# 2015 Product Line

Blu Homes has streamlined and simplified the entire homebuilding process from start to finish so you can enjoy this exciting adventure and be inside your new home before you know it!

Choose from any of our premium prefab models shown here, featuring:

- ▶ Modern and inviting designs by architects that maximize space, flow, efficiency, and functionality
- ▶ Seamless integration between the home and the land with expansive ceilings and walls of windows that provide breathtaking views and natural light
- ▶ High-end quality materials and furnishings, ensuring durability that is far stronger, more cost-effective, and better protected from the elements than traditional builds
