## Designed to Perfection

With its smooth contours, slim 7.7 mm edge and flawless lines, the P8 lite makes great design totally accessible. Its perfect balance and simple, elegant design means it looks as good as it feels—comfort and functionality without any fuss.

## Picture Perfect

Create perfect pictures with the P8 lite. A 13MP rear and 5MP front camera delivers optimal picture quality even in low light. Get a new perspective with the All-focus feature by adjusting the image focal point after it has been taken. Access the camera instantly, even in sleep mode, with the Ultra Snapshot feature and never miss a shot.

## Smarts and Speed

Don't be fooled by the good looks. The P8 lite is fast and powered by a 1.5 GHz octa-core processor. With support for all US GSM LTE bands, the P8 lite offers industry-leading connectivity.
