

THE PROBLEM

80,000

YOUNG PEOPLE

find themselves homeless yearly

£22,174

COST TO PUBLIC

for every young person who doesn't find the help they need

Per year, Centrepont can currently only support

8,500 young people

Housing

Emotional support

Education and life skills

After helping young people to find their feet and leave our services **we know little about their future lives**

NO

INFORMATION ON

Their housing situation

Their employment & prospects

Their family situation

Their health and wellbeing

What services worked for them

THE SOLUTION?

MOBILE TECH CAN NOW HELP US TRACK THEIR SOCIAL MOBILITY

We need funding to create an app that will both connect Centrepont's alumni and tell us about their future lives beyond our walls.
