

Elena Edwards
President, Long Term Care
U.S. Life Insurance Division
Genworth

Elena Edwards was recently appointed President, Long Term Care for Genworth's U.S. Life Insurance Division (USLI). In this capacity, Elena is responsible for all aspects of the Long Term Care business including product development, financial performance, sales and service.

Prior to establishing Business Units, Elena served as Chief Operating Officer for USLI leading sales, marketing, inforce product management, reinsurance, operations and IT functions. While serving as SVP of Operations from 2004 to 2012, she led the development and delivery of Genworth's revitalized new business, underwriting, producer, policy holder and claims service offerings. Elena joined GE in 1987 on the Advanced Course in Engineering program with GE Aerospace. She has served in various leadership roles in engineering, sourcing, manufacturing, Six Sigma, and operations in both GE and Genworth.

Elena became a Genworth Corporate Officer in 2005. As Lynchburg site leader, she elevated Genworth in the community on public/private initiatives and wellness including sponsorship of the historic race, renamed "Genworth Virginia 10-Miler."

Elena is a current member of ACLI's Retirement & Financial Security Steering Committee and serves on the Lynchburg College Board of Trustees and the Genworth Foundation Board. Elena is past Chair and Board member of Amazement Square – The Rightmire Children's Museum.

Elena received her M.S. degree in Mechanical Engineering from Rensselaer Polytechnic Institute and her B.S. degree in Mechanical Engineering from Union College.
