

# KITCHENAID® CAST IRON COOKWARE

## EXCEPTIONAL PERFORMANCE

- Warms evenly and holds heat
- Dark-colored interior provides better browning and resists staining
- Sturdy hand grip and stick handle, each with matching silicone grip, let you position and move cookware with ease
- Oven safe up to 500°F/260°C

## ENDURING DESIGN

- Vibrantly-colored exterior
- Interior porcelain enamel surface does not require seasoning
- Heavy lid press ensures food has maximum contact with cooking surface
- Lid can be preheated in the pan and then placed on top of the food in the pan to cook both sides of the food at once
