

# THE WHITE DOE

HER NAME is whispered  
through the mists in  
the forest.

A lover's curse obscures her fate.

Vainly, men seek her footprints.

But The White Doe eludes  
capture.

Where will she lead us?

*In this Land-of-Wind-and-Water,  
Dowered with the sunshine's splendor,  
Juicy grapes grew in profusion,*

*Draping all the trees with greenness,  
And the maize grew hard and yellow,  
With the sunshine in its kernels*

A delicate, ethereal creature deserves an equally alluring wine.

We envisioned THE WHITE DOE as a light and refreshing blend of Chenin Blanc and Viognier, a white blend that represents the elegance and purity of The White Doe. The Chenin Blanc provides bright natural acidity and delivers juicy flavors of white grapes, honeydew melon and fresh citrus characters. The Viognier adds silky weight to the palate as well as classic white peach flavors and exquisite floral notes. A silky wine with a light, crisp finish.
