**Season Six of Hit Series “MeatEater” with Steven Rinella
Premieres on January 8th at 8 p.m. ET/PT**

*New Season features more spectacular locations and adventures along with a return
appearance by Joe Rogan*

NEW BERLIN, WI – (January 5, 2015) – From the wilds of the Arctic to the jungles of Bolivia, this season of [MeatEater](#) takes viewers on an outdoor experience across international territories and through uninhabited locations in America. **Season Six** kicks off when Steven Rinella returns to one of his favorite hunting locations in America for a two-part series – Brooks Range in northern Alaska. The trip is far from ordinary as Rinella is dropped into a lakeside area for a 10-day moose and grizzly bear hunting trip. *MeatEater* premieres exclusively on [Sportsman Channel](#) on **Thursday, January 8th at 8 p.m. ET/PT**.

Primitive landscapes, wild adventure, secluded hunting and flavorful wild game cooking are all on the menu during this season of the **award-winning series with Steven Rinella**. Additionally, the show welcomes back the comedic duo of **Joe Rogan** and **Bryan Callen** for an unpredictable and laugh-out-loud blacktail deer hunt adventure on Prince of Wales Island, Alaska.

Sportsman Channel, the exclusive network home for *MeatEater*, unveils a *Season Five Recap* marathon evening of shows beginning **Thursday, January 1 at 8 p.m. ET/PT**. The marathon leads viewers to the premiere on **Thursday, January 8 at 8 p.m. ET/PT**.

The new season also features alternative wild game recipes from Rinella’s forthcoming book, *The Complete Guide to Hunting, Butchering, and Cooking Wild Game: Volume 1: Big Game*.

“The sixth season of *MeatEater* has some of my favorite episodes so far,” said **Rinella**. “My hunt with the comics Joe Rogan and Bryan Callen on Prince of Wales Island is the funniest show we ever filmed. Our three-part series in Bolivia is big on adventure and bizarre food, including some taboo grub; and our Brooks Range moose hunt has all the heartache and triumph that you’ll be able to stand. It’s a fine body of work and I am proud to be a part of it.”

“Steven is a dynamic host and does a terrific job of reaching a broad range of viewers and makes them feel like a part of the journey,” said **Marc Fein, executive vice president of programming and production for Sportsman Channel**. “It’s always an exciting time of year when we unveil the new season of *MeatEater*. Every year, Steven and Zero Point Zero Production manage to cook up a new and wide array of episodes with incredible adventure, unique hunting locations and experiences. Season six is their best yet.”
