## **EBEL Wave – Diamond Wave Edition**

‘She smiled and said with an ecstatic air: “It shines like a little diamond.” “What does?” “This moment. It is round, it hangs in empty space like a little diamond; I am eternal.” ’

- Jean-Paul Sartre, *The Age of Reason*

## **EBEL Shines with Eternal Radiance**

Strong and iconic women have forever extolled the virtues of diamonds. From pop-singer Rihanna intoning her audience to ‘Shine bright like a diamond’, to actress Mae West who once quipped that she never ‘concerned herself with diets’; the only ‘carrots’ she cared about were the ‘number in her diamonds’, to Marilyn Monroe who infamously declared ‘diamonds are a girl’s best friend’ – we are all enthralled by this beautiful, precious stone.

The Jewel in the EBEL ‘crown’ of luxury timepieces, the new EBEL Wave Steel and Gold Wave Diamond Dial is a stunning steel and 18K yellow gold women’s watch. Its luminous white mother-of-pearl dial is inlaid with diamonds in an undulating wave design inspired by the collection’s iconic bracelet with its wave-shaped links. A breathtaking piece of jewelry in its own right, this beautifully crafted timepiece adorns the wrist as a sparkling symbol of pure pleasure and happiness.

The EBEL Wave Diamond Dial captivates through its beauty and innate glamour. Refracted light shimmers off the diamond and mother-of-pearl dial, and gleams off the 18K gold on the case. Brushed and polished, its smooth and sinuous steel and yellow gold PVD-finished wave-link bracelet wraps sensuously around the wrist.

EBEL believes every woman deserves her red carpet moment, and the new EBEL Wave Diamond Dial brings sophistication and A-list glamour to any situation.

Elegant, modern and timeless... like diamonds.

THE WAVE REIMAGINED. UNDENIABLY EBEL.

### **Technical description**
