

Jessie James Decker

Multi-talented country singer, songwriter Jessie James Decker recently released her new single titled “Clint Eastwood.” In addition to releasing the new single, Jessie co-hosts CMT’s “Redneck Island” along with wrestling icon Steve Austin. Last year, Jessie released her EP Comin’ Home, which debuted at #5 on the Billboard Country chart and #28 on Billboard Top 200. Comin’ Home found major success on iTunes reaching #1 on the iTunes Album Chart and #9 on the Overall Digital Chart. Tracks from the EP were featured on her hit reality series “Eric & Jessie: Game On” which she starred in with husband, superstar pro football wide receiver Eric Decker. She also launched the Eric & Jessie Decker Foundation which strives to positively impact the lives of United States military veterans, at risk children, and animals. Jessie is currently working on new music, enjoying time with her husband and 1-year-old daughter Vivianne Rose, and expecting her second child, a baby boy.
