

enganchate

# the process of ENGANCHATE

---

- la suma de las partes (the sum of the elements)
- oportunidad para juntarse (an opportunity for meeting)
- elemento de unión (an unifying element)

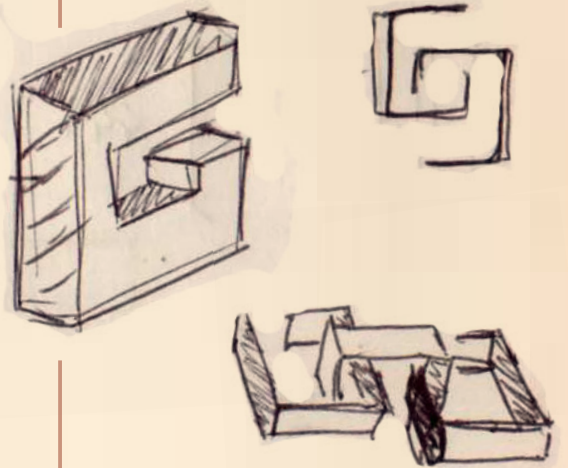

Light as an unifying element

# How is the link?

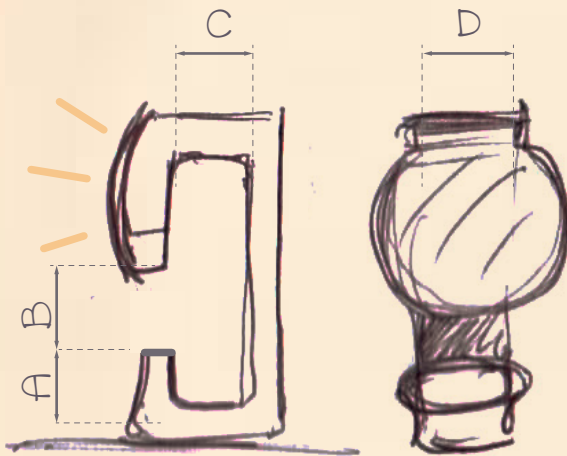

## Idea

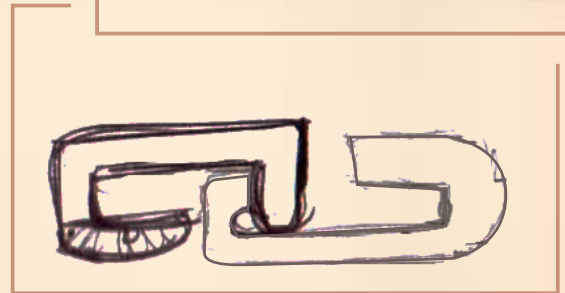

link in a chain

## Dimensions

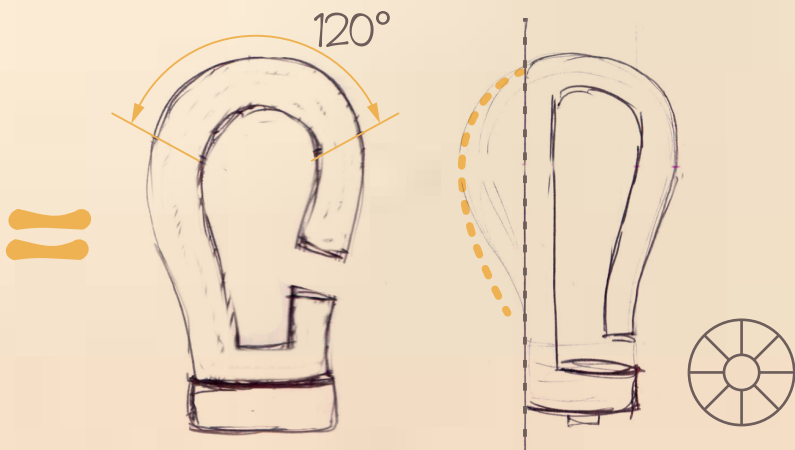

A = B  
C = D } perfect union!

What about the morphology?

Like a bulb

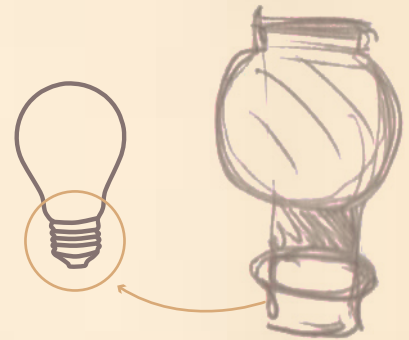

# Final drawings

light diffuser

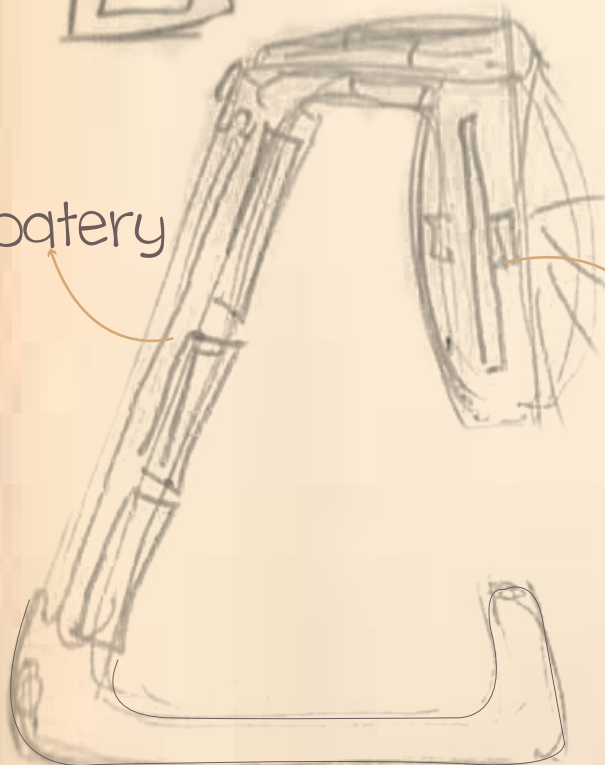

solar panel

battery

LED

We thought this idea would reflect the concept of everybody bringing their own light at home at the end of the day.
