Skylights

The
**Solar Powered
"Fresh Air" Skylight**
Deck and curb mounted

Bringing light to life™

Clean, Quiet & Safe glass

Standard on VSS and VCS skylights

Clean

Features Neat® glass coating to keep your skylight cleaner, longer, leaving skylights virtually spotless

Quiet

Reduce unwanted outside noise by up to 25% less than a standard double pane glass, and up to 50% less than a plastic skylight

Safe

VELUX recommends and building codes require laminated glass for out of reach applications

Intelligent touch remote control powered by VELUX INTEGRA®

Included with your skylight is the Intelligent touch remote control powered by VELUX INTEGRA®. With the touch-sensitive screen and easily-understood icons, programming skylights has become simpler than ever.

Eligible for a
30%
Federal tax credit
Receive an average of \$850* on product and installation with federal tax credit eligibility.

The Solar Powered "Fresh Air" Skylight features a solar panel that captures any available daylight and uses it to recharge a highly efficient, fully concealed, battery powered operator and control system. The battery powered operator is the power source that opens and closes the skylight, and the solar panel serves as the charging source for the system.

3 layers of water protection

1 Deck seal

The pre-attached deck seal on all deck mounted skylights provides a seal between the frame and roof deck for a leak-proof installation.

2 Adhesive underlayment

Adhesive underlayment for secondary water protection against the harshest weather conditions.

3 Flashing

Engineered flashing for easy installation and primary water protection.

1 Pre-attached gasket

A pre-attached skylight gasket provides a tight seal between a standard site-built curb and the skylight that caps off a leak-proof installation for curb mounted skylights.

2 Adhesive underlayment

Adhesive underlayment for secondary water protection against the harshest weather conditions for standard site-built curbs.

3 Flashing

Engineered flashing for easy installation and primary water protection.

VELUX flashing must be purchased in order to qualify for the 10-year installation warranty.

The No Leak Skylight
No Leak Promise
No Worries

ECW tile roof application for the VCS Solar Powered "Fresh Air" Skylight only.
