

**New**

Sun screen accessory adaptor kit ZZZ 232

Required when installing current model blinds in VELUX skylights manufactured prior to 2010

- Add solar powered or manually operated blinds to your skylight
- Kit is designed to make accessory installation easy
- No wiring needed
- Installs in minutes
- Wide selection of sunscreen accessories and color options

Prior model
VELUX skylight

Skylight and
adaptor kit

Skylight, adaptor
kit, and blind

Blind options for older VELUX skylights

Find your skylight identification information, which is located on the metal product identification plate (if you need help finding the plate please visit www.veluxsolutions.com/solutions_website/product-id.html). Write down the model type, size, and other information. Then select your desired blind type and color and contact our nearest dealer to order your new blind. Our dealer locator can be found at veluxusa.com. Your questions can be answered by calling our customer service at 1-800-888-3589.
