Premiering Wednesday, August 23rd at 9pm (all times ET/PT) – SEASON PREMIERE!

"Social Media Failures"

As soon as the new cast of celebrity recruits arrive to Boot Camp, Anne Burrell and Rachael Ray immediately throw them into their first challenge! The celebrities must make a dish inspired by food they've posted on their social media profiles. Judging from their pages online, these celebs love a good meal, but clearly don't know how to cook one! Later, the mentors teach the celebrities how to make some lobster dishes, which proves to be disastrous for the clueless cooks. After Anne and Rachael choose their teams, the celebrities are anxious to officially start their culinary training.

Premiering Wednesday, August 30th at 9pm

"Shabby to Chic"

Anne and Rachael play a unique taste and describe game with the celebrity recruits, which get them a little "hot under the collar." After testing their taste buds, the mentors demonstrate hors d'oeuvres, which their recruits must replicate exactly, as well as make their own. The two celebrities with the worst dishes go head-to-head in an elimination challenge.

Premiering Wednesday, September 6th at 9pm

"Starting from Scratch"

Boot Camp is transformed into "Cafe Worst Cooks" as the celebrities learn how to make classic crepes. The main challenge proves to be a lot scarier for these novice cooks when they have to butcher whole chickens, grill them and create their own unique side dishes. The two least successful recruits go head-to-head in a chicken challenge, and one recruit is sent packing.

"Around the World in a Day"

It's time for the celebrity recruits to tackle international food, so Anne and Rachael test their knowledge of world cuisine by playing a fast-paced food game called "What in the World?!" Then, the recruits are forced to stretch their cooking boundaries by making their own hand-pulled noodles from scratch. The two celebrities with the worst dishes battle it out in an international-themed blind elimination challenge.

"This Meat is Offal"

The celebrity recruits put their culinary knowledge to the test by playing "Family Food," a game of food trivia and culinary tasks. Unfortunately for the celebrities, it's the "freaky food" edition, so some of the rounds are not for the faint of heart! Afterwards, the recruits learn the art of beef butchering and the least successful recruits go head-to-head in a high "steaks" challenge.

Premiering Wednesday, September 27th at 9pm

"Get Baked"

The celebrity recruits finally tackle desserts, starting with a fast-paced assembly line challenge. Then, it's on to over-the-top milkshakes topped with decadent sweets. The two recruits with the worst desserts battle it out in a cupcake challenge.

"Tin Foil Chefs"

As the competition nears its end, the oven mitts come off and the celebrities fight for a spot in the finale! They face their toughest challenge yet: a Worst Cooks battle inspired by Iron Chef called Tin Foil Chef. The celebrities with the best dishes head to the finale.

Premiering Wednesday, October 11th at 9pm – SEASON FINALE!

"Finale the End"

The final two recruits face the ultimate challenge -- cook a restaurant-quality meal for a panel of three culinary experts: Marcus Samuelsson, Scott Conant and Aliya LeeKong.
