## **JOIFUL Massages**

### Head, Neck, and Shoulders- 60 Minutes

Give your stiff neck and tight shoulders a break and you'll feel better all over. This focused massage releases tension and restores comfort to this typically tense area. Note: Not a full-body massage.

### Deep Tissue Massage- 60 Minutes

This treatment is recommended for those who regularly receive massage and who enjoy intense bodywork. Specialized, focused techniques reach deep muscle layers, and address points of attachment as well as the belly of the muscles. These techniques tend to be slow and coordinated with deep breathing. Available for two.

### JOIFUL Signature Massage- 60 Minutes

Enter into a euphoric state of being with this elegant treatment designed to calm and relax your body and mind. Your journey begins with a sage compress for your face and an aromatherapy scalp massage. After your therapist applies a warm botanical body masque and then gently buffs it away, you'll be immersed in a soaking tub with our specially designed aromatherapy blend. A soothing massage using warm herb-infused oil is the final, perfect touch.

### Prenatal Massage- 60 Minutes

Prenatal massage for pregnant women reduces stress on weight-bearing joints, encourages blood and lymph circulation, helps to relax nervous tension -- which aids in better sleep -- and can help relieve depression or anxiety caused by hormonal changes.

### Hot Sea Shell Massage- 60 Minutes

Smooth, rounded fresh sea shells are gently heated and used by the therapist as extensions of his or her hands. The weight and radiant heat of the stones combined with a calming essential oil penetrates muscle tissue, inducing deep relaxation without overheating.
