Capatriti is the first olive oil brand to earn the USDA Quality Monitoring Program (QMP) Seal for both its Extra Virgin & 100% Pure Olive Oils, and is one of the first companies in the country to possess this title. **Difference Between Extra Virgin Olive Oil and 100% Pure Olive Oil:** Extra virgin olive oil means the oil is made solely from the fruit of the olive tree, by mechanically pressing olives without the use of chemicals or solvents. Pure olive oil is produced the same way, but goes through an additional refining process.
