from

## About Our Infection-Control Face Mask Shields

- Made from High-Performance, Clear PETG Plastic (.020" or .030" thickness)
- Bendable yet sturdy and virtually unbreakable!
- Combining clarity with durability, this plastic sheet provides clear, unobstructed views.
- Significant chemical resistance and durability
- Considered a FOOD-SAFE Plastic
- This Infection-Control Face Mask withstands harsh environments, providing unparalleled quality
- MADE IN UNITED STATES OF AMERICA 

## About Modern Plastics

Modern Plastics was founded in 1945 by Joseph C. Carbone with a simple philosophy: "Whatever it takes." Since then, Modern Plastics has led the way by setting new industry standards for over 75 years in plastics distribution with technology such as material bar coding, complete material traceability, sophisticated storage of plastics and long-term record retention on all shipments. Our inventory and product lines continue to expand to meet customer expectations.
