

Mitchell V. Mathis, MD
VP US Medical Affairs, Neuroscience, AbbVie

Mitchell V. Mathis, MD is Vice President of US Medical Affairs, Neuroscience at AbbVie. He came to AbbVie from Allergan where he was Chief Medical Officer for CNS. Prior to Allergan, Dr. Mathis spent 16 years at the U.S. Food and Drug Administration where he led the Division of Psychiatry products for 12 years.

Dr. Mathis completed his undergraduate work at St. Louis University, in St. Louis, Missouri, and his graduate study of medicine at the Uniformed Services University of the Health Sciences, in Bethesda, Maryland. His post-graduate residency training was in psychiatry and family medicine at Walter Reed U.S. Army Medical Center in Washington, DC. Dr. Mathis is a U.S. Air Force and U.S. Public Health Service veteran. He maintains an active private psychiatry practice, which has been his passion for many years.
