Since The Art Institutes is comprised of several institutions, see aiprograms.info for program duration, tuition, fees, other costs, median debt, federal salary data, alumni success, and other important info. The Art Institutes is a system of over 50 schools throughout North America. Programs, credential levels, technology, and scheduling options vary by school, and employment opportunities are not guaranteed. Financial aid is available to those who qualify. Several institutions included in The Art Institutes system are campuses of South University or Argosy University.
