CRAZY LEUKEMUTANT CANCER CELL
FROM RE-MISSION 2: NANOBOT'S REVENGE

*Re*MISSION 2

6 GAMES. COUNTLESS WAYS TO FIGHT CANCER.

Re-Mission 2 games help young people with cancer take on the fight of their lives.

EMPOWER PATIENTS

MOTIVATE TREATMENT ADHERENCE

Re-Mission 2 games are based on scientific research and designed with input from young cancer patients.

Each game puts players inside the human body to fight cancer with an arsenal of weapons and super-powers, like chemotherapy, antibiotics and the body's natural defenses.
