

Rock your Heart Rate in Kissimmee, Florida

KISSIMMEE, Fla. – If adventure is in your blood and you enjoy the rush of adrenaline, then come rock your heart rate in Kissimmee, Florida. There is plenty of fun to be had here, with adrenaline-inducing attractions and heart racing adventure, your central Florida vacation can be a non-stop whirlwind of activity. Here are some of Kissimmee's Rockin' attractions:

Gatorland: one of Florida's original and most beloved roadside attractions is home to the world's tallest, fastest and wildest zipline attraction to race high above giant alligators and crocodiles. On **Screamin' Gator Zip Line**, riders embark on a breathtaking journey along 1,200 feet of high-flying adventure, reaching heights of up to 56 feet and speeds of nearly 30 miles per hour. The zipline travels across four intense lengths between seven towers, with some spans as long as 485 feet, soaring over some of the park's habitats.

Fun Spot USA: A full-scale family attraction with rides, multi-level go-kart tracks and the world's tallest **Sky Coaster**. Standing over 300 feet tall, this thrill ride is not for guests who need both feet planted firmly on the ground. But if you're looking for the biggest thrill available at any of central Florida's local amusement parks, this ride delivers!

Florida Eco-Safaris at Forever Florida: For thrill seekers, this eco-attraction is home to a zipline safari and self-pedaled cycling and the country's first zipline roller coaster, **The Rattlesnake**. The adrenaline also is pumping on the **Swooping Crane** extreme swing. The swing is a free-fall from 55 feet in the air and riders swoop back and forth between trees and over brush.

Warbird Adventures and Stallion 51: For a unique bird's-eye view of the area, fly in a legendary WWII P-51 Mustang at Stallion 51 or become a fighter pilot for an afternoon at Warbird Adventures. Taking the controls of one of these warplanes is one of the most exhilarating experiences, made even more so when your professional co-pilot takes you on a spin you'll never forget.

Hot Air Balloon Ride: Experience Mother Earth only a few feet below and appreciate her beauty from above. Have you ever wanted to feel like a bird gently gliding through the skies? In Kissimmee, you can in a hot air balloon ride. Less heart-pounding thrills than invigorating, it's a peaceful feeling that words cannot explain.

Airboat Ride: Blow like the wind across the water on the ultimate adventure with an airboat tour through the headwaters of the Florida Everglades near Orlando. You can't help but feel a little bit like a child again, grinning ear to ear as a wave of excitement rushes over you. Who knew that sightseeing on the water could be so exhilarating? Experience the sights and sounds of nature like never before.

Visitors interested in adding more thrill and adventure to their getaway should make Kissimmee their home base, choosing from its more than 50,000 total accommodations. For more information on places to stay, things to do and discount offers in the Kissimmee area, visit www.ExperienceKissimmee.com
