

European Train Travel saves **Time** and **Money**

Sometimes It's The Train That Really Flies!

Train travel is the most authentic, relaxing, cost effective and efficient way to journey around Europe. With city-center to city-center arrivals and departures, you'll have more time and money to spend on making memories.

RAIL EUROPE combines maps, schedules and fares for over 50 different train companies in 32 European countries

Travel Time Comparisons*

*City-center to city-center
 **Includes estimated transfer and check-in times
 ***Add 10-30 minutes to train time for check-in

RAIL EUROPE travel consultants can assist you in English, French, Spanish and other languages

High-speed trains are **3x** more energy efficient as regional trains, and even the slowest train is **20%** more energy efficient than a car.

RAIL EUROPE offers groups of 10 or more discounted prices and personalized services

Travel Like a Local

Traveling by train is the way Europeans travel, and most European trains travel from city-center to city-center. Arrive at your destination and avoid the 30 to 60 minute taxi ride from airport to major European city-centers.

RAIL EUROPE offers sight-seeing trips, museum passes, city transport tickets and more for convenient booking

Skip the hotel room – comfortable, private sleeping options for overnight train travel

Kids under 16 travel for free in Switzerland with the Swiss Pass

No baggage fees/limitations on most high speed trains

RAIL EUROPE offers convenient e-ticketing for trains in France, Belgium, Luxembourg, Switzerland, Great Britain, Italy, Germany and Spain
