

Shopper Assurance

Car buying made simple

We know buying a new car hasn't always been a smooth process. So we're happy to introduce Hyundai Shopper Assurance. It's a whole new car buying experience designed to save time and help make buying a new car as enjoyable as driving it.

Transparent Pricing

Participating dealers list their price up front and online for new vehicles in their inventory
MSRP minus incentives and discounts so customers can be confident in the price they pay

Flexible Test Drives

For any Hyundai model in stock, customers can schedule a test drive that will either take place at the dealership or at their work or home

Streamlined Purchase

Complete most of the paperwork online prior to visiting the dealership
Value trade-ins, apply for financing, calculate payment estimates and obtain credit approvals

Three-Day Money Back Guarantee

Customers can return vehicles at participating dealers within 3 days for the full paid value
