

## Air™ Cordless

Finally, a full-size cordless vacuum that can clean your whole home. Built on the strong foundation of the Air™ range of products with over 1.6 million sold and powered by LithiumLife™ batteries, Air™ Cordless provides full upright power and capacity, with a 50-minute runtime and an ultra-light 9.9 pound frame.

---

### LITHIUMLIFE™ BATTERY TECHNOLOGY

Brings power and cordless convenience for whole home cleaning with 50 minutes of fade-free battery power.

---

### CORDLESS

We removed the cord but kept everything else.

---

### STEERABLE TECHNOLOGY

Inspired by skateboard technology: simply twist the handle to navigate smoothly around furniture, corners and other obstacles.

---

### LIGHTWEIGHT

Weighs less than 10 lbs. so you can lift, carry and take anywhere in your home.

---

### HIGH PERFORMANCE

Exclusive WindTunnel® 3 Technology lifts and removes deep down embedded dirt with 3 channels of suction.

---

### POWERFUL CLEANING

Multi-Cyclonic Technology for no loss of suction.
