

Air™ Cordless 2-in-1

This battery powered stick and handvac combo provides multi-surface functionality and cordless convenience. Powered by LithiumLife™ Battery Technology, the stick vac easily tackles high traffic areas while the removable hand vac provides quick access to above floor spills and messes.

CORDLESS VERSATILITY

The Interchangeable 20V LithiumLife™ Battery System lets you use any LithiumLife™ battery you already have with our line of products. Simply swap and go.

POWERFUL

Exclusive WindTunnel® 2 Technology lifts and removes surface debris and deep down embedded dirt.

MULTI-FLOOR STICK VAC

Instantly adapts to multiple floor types for optimal performance with the touch of a button.

REMOVABLE HAND VAC

Easily take cleaning to couches, stairs and hard-to-reach places.

LIGHTWEIGHT

Clean and carry upstairs & downstairs with ease.
