Halloween Baking Championship & Kids Halloween Baking Championship *Episode Descriptions (2016)*

Halloween Baking Championship

Hilarious comedian **Jeff Dunham** and his cranky sidekick, Walter, welcome seven of the country's most talented bakers. With spooky challenges and creepy-crawly desserts, over-the-top and costumed judges **Damiano Carrara**, **Carla Hall** and **Sandra Lee** will decide which baker has what it takes to claim the title of Halloween Baking Champion and a \$25,000 prize.

Premiering Monday, October 3rd at 9pm – “Monsters, Monsters, Monsters” – SEASON PREMIERE!

Nothing says Halloween more than scary monsters, and in the pre-heat, the seven bakers must create creepy bite-sized monster treats. For the main heat, zombies attack as the bakers are faced with whipping up a zombie dessert that makes the judges hungry for a bite.

Premiering Monday, October 10th at 9pm – “Cravings From the Grave”

For the pre-heat, mummy's the word as the six remaining bakers are asked to make a Halloween mummy dessert using pre-made pie dough. Next, the bakers must create a candy-stuffed, wicked cake based on a Halloween icon.

Premiering Monday, October 17th at 9pm – “Haunted Circus”

Things are only getting spookier with just five bakers left in the competition, who must head to the haunted circus for the pre-heat and create a dozen scary clown cake pops. Then, the main heat moves to the freak show, as the bakers make frighteningly strange mash-up desserts.

Premiering Monday, October 24th at 9pm – “Spirits Rising”

The four remaining bakers connect with the other side, baking up a tomb dessert for the pre-heat. Next, the bakers make a dessert inspired by the colorful artistry and spirit of Mexico's Dia de los Muertos, or Day of the Dead, in order to move on to *the Halloween Baking Championship* finale.

Premiering Monday, October 31st at 9pm – “Ginger Dead House” – SEASON FINALE!

In the final pre-heat, the three remaining bakers must fill a haunted tree with decorated Halloween cookies. For the grand finale, the bakers have just six hours to construct a spooky "ginger dead" house. Special guest **Duff Goldman** stops by to put a fright into the bakers, then the most impressive house wins one baker the title of Halloween Baking Champion and \$25,000!

Kids Halloween Baking Championship – Premieres Wednesday, October 5th at 8pm – SPECIAL!

Four fan favorites from the *Kid's Baking Championship* are back in the kitchen with hosts **Duff Goldman** and **Alison Sweeney** to bake their way through two spooky challenges. In the pre-heat, they must make something sweet and scary, then in the main heat, they will each have to be mad scientists and bake up a hybrid monster dessert. Only one will become the *Kids Halloween Baking Champion* and win the \$10,000 prize!
