

From the #1 Most Trusted Brand in Home Safety.

First Alert®

Onelink®

Wi-Fi Smoke + Carbon Monoxide Alarm

Works with
Apple HomeKit

Available in both hardwire
and 10 year battery.

Always Connected
Always Protected

10 A decade of protection

The 10-year sealed battery means no battery replacements for the life of the alarm and no low-battery chirps in the middle of the night.

Alarms work together & speak up to danger

When one Onelink alarm goes off all wirelessly interconnected alarms will sound as one. The Wi-Fi Smoke+CO Alarm will also talk to you, letting you know what the danger is and where it is located.

Be notified when something is not right

This alarm sends you notifications in the event of a Smoke or Carbon Monoxide emergency.
