

## COPPERTONE® CLEARLYSheer® Sunscreens

From Bayer's Consumer Health Division

**COPPERTONE® CLEARLYSheer®** Sunscreens provide trusted broad spectrum protection in delightfully light, breathable lotions and sprays that feel great on skin. These face-friendly, water-resistant formulas absorb quickly and won't clog pores or cause breakouts, leaving a smooth, matte finish with a fresh citrus scent. Available in SPF 30 and 50, Coppertone® CLEARLYSheer® is perfect for everyday protection even under makeup, whether you're heading to the beach or out to lunch with friends.

- Won't clog pores or cause breakouts (clinically tested on acne-prone skin)
- Sheer formulas are great under makeup
- Products feel clean and light leaving a matte finish
- Fresh citrus scent with soft floral base notes
- Water resistant (80 minutes)
- Broad spectrum protection; when used with other sun protection measures, help decrease the risk of early skin aging caused by the sun\*

\*Sun Protection Measures. Spending time in the sun increases your risk of skin cancer and early skin aging. To decrease this risk, regularly use a sunscreen with a Broad Spectrum SPF of 15 or higher and other sun protection measures including: 1) Limit time in the sun, especially from 10 a.m. – 2 p.m. and 2) Wear long-sleeve shirts, pants, hats, and sunglasses.
