

SETTLEMENT PAYMENTS TO LESSEES

The tables below show the range of possible payment amounts to lessees under the Class Action Settlement. The amount you will be offered depends on your car's model year, model, trim level, and factory options. The amount you will be offered will be the same whether you choose a Lease Termination or an Approved Emissions Modification or no longer have an active lease. The Approved Emissions Modification option will only be available if a modification is approved by the EPA and CARB.

These tables assume that you had a leased car with VW Credit, Inc. when the emissions allegations became public on September 18, 2015 and that you did not purchase that car on or before June 28, 2016. If you purchased your leased car on or before June 28, 2016, then you are considered an owner and should use the tables in the Settlement Payments to Owners document to find your payment range.

Beginning July 26, 2016, you can see the exact Lessee Restitution payment amount for your car by visiting www.VWCourtSettlement.com and entering your Vehicle Identification Number (VIN) and other required information.
