PRISMACOLOR PREMIER® SOFT CORE COLORED PENCIL SET

In addition to a dedicated moment of relaxation, adult coloring stimulates the often-forgotten creativity that flows through all of us. Found in the kits of professional artists, Prismacolor Premier® Soft Core Colored Pencils are ideal for unleashing your inner artist and elevating the pages of your coloring book into works of art.

Prismacolor Premier Soft Core Colored Pencils have thick cores that are perfect for bringing bold colors to life, while the soft lead blends and shades seamlessly. With 150 colors to choose from, the perfect shade is never out of reach. They're vivid and intense in one stroke and subtle and soft in the next – perfect for any size project.
