Soda and juice, 
are so very sweet, 
but water’s the best drink 
for cute little teeth.
Roses are red,
Violets are blue,
Dental hygiene’s essential
For baby teeth, too!
I love your sweet smile,
Those cute pearly whites,
So brush and floss twice a day,
To help 'em shine bright.

MY SWEET VALENTINE,
YOUR SMILE IS AMAZING.
BUT WHEN YOUR TEETH TOUCH,
IT’S TIME TO START FLOSSING.
Your child’s baby teeth aren’t immune to decay so visit the dentist by their first birthday!
