

## Autumn's in the air with these home décor ideas

Welcome gorgeous fall colours and cozy creature comforts inspired by the most beautiful season of the year into your home.

**Lavish textures.** Relish spending time indoors again with warm patterns and fabrics that are made for snuggling up by the fireplace. Layer on pillows and throws in luxe crushed velvet, soft and chunky knits or faux fur Sherpa. Pick spicy seasonal hues like pumpkin orange and deep plum, or fall patterns like plaid and houndstooth.

**Favourite memories.** With the holidays coming up, now's the perfect time to pepper your home with photos of family and friends in classic black and white for a fun dose of sentimentality. Or gather them up in a chic gallery wall in vintage frames for an antique touch.

**Rustic tablescapes.** Design a Pinterest-inspired array of decorative accents for your dining, coffee or side table that pulls the autumnal look together. Unleash your creative flair with white pumpkins, reclaimed firewood and pillar candles. Take advantage of the gorgeous fall harvest and fill bowls with fresh produce and finish off with strewn coffee beans, acorns or leaves.

**Seasonal greenery.** Make the most of fall foliage before winter snows cover it up. Outside, use English ivy and wooden buckets of pansies for a natural landscape that boosts curb appeal. Inside, display fresh flowers in dark, rich colours brighten up the space — sunflowers, magnolia leaves and maple branches create a charming fall arrangement.

**Stylish, smart window treatments.** You'll want to let in as much daylight as possible with shorter days, so choose shades that maximize light control while giving you privacy from neighbours. Bask in that fall glow with sophisticated Hunter Douglas Duette honeycomb shades that are energy efficient and help reduce outside noise for a cozy autumn retreat.
