## 9 CUP FOOD PROCESSOR PRODUCT FACT SHEET

The new 9 Cup Food Processor is easy to use, clean and store with a one-click, twist-free, bowl assembly and latched lid, dishwasher safe accessories and in-bowl accessory storage.

### PRODUCT BENEFITS:

- **Easy to Use**  
One-click, twist-free bowl assembly with a latched lid.
- **Easy to Clean**  
With a sealed, leak-resistant work bowl, less food gets trapped in the bowl and lid. Additionally, the bowl, lid and accessories are all dishwasher-safe, making for much easier clean up.
- **Easy to Store**  
With a compact design, in-bowl accessory storage and convenient cord wrap.
- **Simple Controls with 3 Speed Options**  
High, Low and Pulse Speeds handle a variety of ingredients with precision. The easy-press paddles and illuminated LED controls make operation simple.
- **Chop, Puree, Knead, Shred and Slice**  
Everything from cucumbers and tomatoes to cheeses and more with the thin slicing disc, medium reversible slicing/shredding disc and multi-purpose blade. Knead pizza and bread doughs with the included dough blade.
- **A Variety of Shapes and Sizes**  
Can be processed in the 2-in-1 feed tube located on the lid. The small pusher features a small oil drizzle opening for emulsifying sauces and dressings.
