LONG SLOT TOASTER PRODUCT FACT SHEET

With the Design Collection Toaster's long slot, it's simple to fit a delectable, handmade breakfast into your morning routine without the extra slicing.

PRODUCT BENEFITS:

- **Extra Long, Extra Wide Slots**
Long, extra-wide slot provides you with flexibility to toast a variety of breads without adjusting bread slice size.
- **High Lift**
High lift lever ensures you can reach small pieces of bread easily.
- **Defrost**
Toasts frozen pastries or breads in minutes.
- **Removable Crumb Tray**
The removable slide-out crumb tray prevents crumbs from spreading across your countertop and is removable for easy cleaning and emptying. Hand-wash only.
- **Self-Centering Slots**
Self-centering racks help ensure even heating of thin or thick breads.
- **Cord Wrap**
Allows you to simply stow away the power cord in the base of the toaster.
- **Bagel**
Toasts the cut-side of a bagel or English muffin while gently warming the outer surfaces.
- **Little Longer**
Toast something "a little longer" at your favorite setting with the touch of a button.
- **Reheat**
Quickly reheats toast in under a minute.
