## SIFTER SCALE ATTACHMENT PRODUCT FACT SHEET

If you don't prep right, things turn out wrong. Quickly and easily achieve fluffy, consistent results with the revolutionary Sifter + Scale attachment—the all-in-one baking tool that accurately measures, thoroughly sifts and automatically adds ingredients directly to your mixer bowl in just one step.

### PRODUCT BENEFITS:

- **Precision Makes Perfect**  
Precise measurements are a critical part of baking success. An easy-to-use digital scale measures ingredients by weight for a greater level of precision compared to measuring by volume, so baked goods turnout the way they should.
- **Hands-Free, Fluffy Results**  
Hands-free sifting gives more consistent mixing and fluffy baked goods\*, while leaving more time for the baker to take care of other tasks.  
*\*Compared to un-sifted ingredients*
- **Less Steps**  
Combined scale, sifter and chute handles multiple stages of prep work in one step.
- **Less Mess**  
Avoid countertop mess and dirty fewer dishes. Chute neatly funnels weighed and sifted ingredients into the mixer bowl, and can also swivel to funnel ingredients into a separate container without spilling.
- **Add Ingredients Gradually**  
Chute slowly incorporates ingredients into the bowl while the mixer is running for optimal results.
- **Versatility**  
Sifter can be removed when weighing ingredients that don't need to be sifted, such as chocolate chips.
- **Scale Can Be Used Separately**  
Battery operated digital scale can also be used separately on your countertop with an included scale plate.
- **Generous Capacity**  
Weigh and sift multiple ingredients at the same time in the attached hopper, which can hold up to four cups of dry ingredients at a time.

- **Powered by the Mixer**

Attach the KitchenAid® Sifter + Scale\* to the power hub of any KitchenAid® Stand Mixer. Then experience hands-free sifting as the sifter gradually incorporates ingredients into the mixer bowl.  
*\*Battery operated scale*

- **Convenient Storage**

An included storage case keeps all parts in one place for easy storage and quick access.

- **Easy to Clean**

All parts except scale and sifter housing are dishwasher-safe.

- **One Year Limited Warranty**
