

KitchenAid®

METAL FOOD GRINDER ATTACHMENT PRODUCT FACT SHEET

Fresh, from-scratch cooking doesn't have to take a long time. The KitchenAid® Metal Food Grinder tackles even the most challenging ingredients with speed and ease. Grind fresh meat for sausages and burgers, hard cheeses, bread crumbs, and more—using fresh ingredients you can feel good about. Stand Mixer sold separately.

PRODUCT BENEFITS:

- **Transform Ingredients for Wholesome, Fresh Recipes**

Use only the ingredients you want, avoid those you don't. Create healthy meals from scratch without additives, preservatives, and other fillers: the control is yours.

- **Explore Culinary Creativity**

The possibilities are endless. Fine, medium and coarse grinding plates and two sausage stuffer tubes make it easy to create a variety of fresh, creative foods.

- **A Cleaner Grind**

When preparing meats, a cold environment is important. The KitchenAid® Metal Food Grinder can be pre-chilled in the refrigerator or freezer to maintain a cold grinding temperature, giving you a cleaner grind when preparing meat.

- **Convenient Storage**

An included storage case keeps all parts in one place for easy storage and quick access.

- **Powered by the Mixer***

Attach the KitchenAid® Metal Food Grinder to the power hub of any KitchenAid® Stand Mixer. Then let the mixer do all the work.

**Stand Mixer sold separately*

- **One Year Limited Warranty**

Visit kitchenaid.com for warranty details. For countries outside the USA, visit international.KitchenAid.com
