Kichler®'s New Styles of Portable LED Lanterns Brings Personality to Outdoor Living

- Portable LED lanterns add light, style and sound to outdoor or indoor spaces -

INDEPENDENCE, OHIO (June 20, 2018) – Kichler®, a leader in innovative lighting, loves the “living” that happens in outside spaces. And, with the new styles of Portable LED Lanterns with built-in Bluetooth® Speakers, outdoor entertaining now is even easier. Whether poolside or on the deck, bringing light and music to any space is simple. Its brilliant LED provides ample light for evening entertaining and is dimmable for a soft effect or warm glow – whatever your preference. The intuitive Portable Lantern connects to any Bluetooth device, putting volume and song selection at your fingertips. Once paired, all you have to do is sit back and enjoy.

“The expanded collection of Portable LED Lanterns from Kichler helps homeowners enjoy time with family and friends, all while elevating outdoor, and indoor, entertaining,” says Tia Bahr, senior product manager, décor product, Kichler. “Our three new lanterns offer distinct styles that not only showcase their décor preference, but also personality.”

Generously sized to offer style as well as light, the new Portable LED Lanterns all coordinate with a variety of Kichler collections:

Montego – Offers a farmhouse carriage aesthetic that pairs well with classic wicker or traditionally styled furnishings.

Davis – Features an Asian-inspired look that's at home in modern or coastal settings.

Berryhill – Showcases a rustic style and two-tone finish that pairs well with casual outdoor décor.

Additional styles available include:

Lyndon™ - Textured Black Finish

South Hope™ - Rubbed Bronze Finish

Weighing only 6.5 pounds, the Portable LED Lanterns are damp rated for indoor or covered outdoor use. The dimmable LED light emits 3000K pure white light, runs for up to eight hours, and can charge from zero to one-hundred percent in five hours. The state-of-the-art Bluetooth speaker offers quality sound and

delivers 3-watts of audio output. Connecting to the Portable LED Lantern is easy by pairing any Bluetooth-enabled device within a 30-foot range.

Additional features of the Portable LED Lantern with Bluetooth Speaker include:

- Independent controls for sound and lighting
- Audible tones guide pairing and provide low-battery alerts
- Rechargeable NiMH 3.6V battery
- Five-hour battery life at maximum volume and 100% light

High-resolution images of the Portable LED Lantern with Bluetooth Speaker are available upon request.

Kichler outdoor lighting options are certain to add a high element of style to exterior and interior settings. The Portable LED Lantern with Bluetooth Speaker reinforces Kichler as a leader in design with a wide array of bold statement pieces, perfect for adding pizzazz to any outdoor living space.
