

KOHLER Moxie Showerhead + Smart Speaker

Estimated Consumer Price	Available to Order
BT Speaker \$99	2020
AI Speaker \$159	2020
BT Speaker + Showerhead \$169	2020
AI Speaker + Showerhead \$229	2020

Key Points

- Portable speaker delivers outstanding natural sound balance with remarkable detail and provides hands-free control that performs seamlessly in the shower, in the home or on the go.
- Sound by Harman Kardon
- AI Speaker has embedded Amazon Alexa
- Speakers sold as standalone or as showerhead combo
- Accessory Ecosystem that speaker docks into as alternate to showerhead
- Magnetic docking to ensure speaker is securely in place
- Fully Waterproof
- Tuned specifically for the showering space to overcome white noise of the shower
- Pair multiple speakers together (BT, AI when feature is available via Amazon)
- Included charging dock for cordless charging
- Tactile control buttons
- AI Speaker is compatible with the Kohler Konnect App (set up, presets for different modes, etc.)
- BT Speaker has standalone app for setup and select presets for different modes (Music, Podcast, etc.)
- BT Playback time: 6-7 hours at 70% volume
- AI Playback time: up to 5 hours at 70% volume

Real Life Examples

- Rock out to your favorite song while you get ready, or catch up on the daily news or podcast while you prepare of the day
- Control other smart products in the bathroom – get your DTV+ Shower started or utilize hands free control while you're in the shower
